Captain Carey, of the Moana, hopes to make a record on his voyage to Sydney, but the beach-combers who saw the vessel sail, said she was too heavily loaded to make a good run, and that the vessel would be in big luck to have fair weather to Honolulu. The coast papers have considerable to say concerning the recent sensational arrival here of the schooner Lily L (now the Waialua). The S F Chronicle of July 30 finishes up its article thus: The last time the Lily L was heard from by persons in this city was a year ago, when she left Cook's Inlet, Alaska, after having taken a party of miners up there. E E Wyman, the owner, has waited a long time for tidings of his vessel, but has never heard of her since she left Alaska. Its a sad thing for owner E E Wyman "but 'twas ever thus, etc."

More Reasons.

Why people come long distances to buy at the Palama Grocery. Reason No. 1—Because one customer tells another how much they saved by dealing at this live and let live establishment. Reason No. 2—Because the saving from their grocery bill helps them to pay their house rent. If you don't believe what our customers say, just give us a call and be convinced.
